

Land title Identity verification form

Your identity document requirements

To verify your identity, the details in section A must exactly match your identification documents. Section C should contain the address of the property being transacted (e.g. address of the property being sold, transferred, etc). If you have changed your name from that on the identity document, you will also need to provide a change of name document. Please check which documents are acceptable below.

To satisfy the identity document requirement, you must produce original and current documents in one of the following categories. A translation will be required for Passports, Drivers licences and Birth certificates if not in English. The English translation is to be completed by a NAATI accredited translator (go to www.naati.com.au for details).

You should produce two category 1 documents, if these have been issued to you. If you cannot satisfy category 1 requirements then you must produce documents from the highest category possible.
