

Capture ID information in minutes with **idyou**

Simple. Secure. Fast

MSA now provides an easy-to-use mobile application that allows you to verify your customers identity from the comfort of your own office or their home.

What are the benefits?

IDyou assists brokers/loan writers in following verification of identity regulations by providing a secure, easy and compliant VOI (Verification of Identity) system on their mobile phone, free of charge.

IDyou gives brokers/loan writers the ability to capture ID information in a matter of minutes, simply by using their iPhone or Android device to photograph their customers ID documents. A great time saving benefit!

Please note: While **IDyou** meets policy requirements for capturing ID information, brokers/loan writers must still verify their customer's identity is correct, as per current policy.

Getting Started

Step 1:

Register by visiting **IDyou's** website and filling up the form through the following link:

<https://www.idyouapp.com.au/details/> or you may also email your request to idyou@msanational.com.au

Alternatively you can also use your smartphones QR scanner to get you to the page by simply scanning the code on the right hand side.

Once on the form page be sure to fill and complete the required information and MSA will send you your login details.

Step 2:

Download the App to your mobile phone via the App Store or Google Play:

To help you get up to speed and provide additional details on how to set-up you account please see the following link: <https://www.idyouapp.com.au/how-idyou-works/>
